- 3M, Six Sigma, 386–389
5 Ps. *See* Plan, Perspective, Pattern, Position, Ploy
737 MAX. *See* Boeing 737 MAX
- A**
action. *See* theories for action
 bias, 323
 bottom-up political action, 231
 sparking (story category), 261
activity, meaning (association), 254
Adams, John, 280
adhocracy, 85–86
advancement, politics, 205–206
advertisements, plans (impact), 303
advocacy, inquiry (combination), 169, 170e
advocate/warrior/hustler, contrast, 377–378
affective judgments, result, 11
agency problem, 79
agenda
 access/control, 200
 setting, 213–215
Airbnb
 identity, quest, 257
 improvements, 10
all-channel network (star network), 104, 105e
alliances, involvement, 200
Amazon
 culture of metrics, 48
 data measurement, 370–371
 meetings, 117–118
ambiguity, 34, 329
sources, 35e
understanding, 38–42
American Cast Iron Pipe (Acipco), workplace enjoyment, 137
American Medical Association (AMA), drug advertisements, 239
Andersen Worldwide, indictment, 78
anti-piracy efforts, impact, 195
Apple, leadership, 99
Arab Spring, 199
architect/tyrant, contrast, 369–374
Ardern, Jacinda, 209–210, 361
Aristotelian ethic, 414
Armstrong, David, 261
Art of War, The (Sun Tzu), 13
Asea Brown Boveri (ABB), complexity, 62
assumptions, impact, 256
AT&T, divestment, 403
attention (capture), symbols (usage), 379–380
Austin, Lloyd, 158
authorities, partisans (relationship), 198–199
authority
 dual authority, 101, 102e, 103
 establishment, 332
 impact, 59
 location, 108
 position power (authority), 199–200
 usage, 202
authorship, 415–416
autonomous leadership style, 360
autonomy
 employee autonomy, encouragement, 151–152
 excess, 78
 fiscal autonomy, 66
- B**
“Bad feelings” stories, 153
Bakken, Earl, 412
Bamforth, Ken (work organization report), 153
bankruptcy, management miscues (impact), 8
Barbarians at the Gate (Burrough/Helyar), 229
bargaining, 219–223
 collective bargaining, 305–306
 goals/decisions, emergence, 192–193
 interdependent decisions, 222
 motivations, mix, 221
 process, value claiming perspective, 221–222
 threats, usage, 222
Barra, Mary, 258
baseball, team effort, 106
basketball, team effort, 107–108
Behavioral Theory of the Firm (Cyert/March), 197
believing (adage), 40
Berwind Corporation, initiation, 85
Beth Israel Hospital, health care restructuring, 92–93
Bezos, Jeff, 369–370
 leadership formula, 371
Biden, Joe
 change promise, 383–384
 election win, 347–349
Black Lives Matter, 231
black swans, 21
Blakey, Marion C., 237
blink process, characteristics, 11
Bloomberg, Michael, 314
BMW
 dream factory, 272–274
 innovation, importance, 273
 success formula, 56
