Book design by Cees W. de Jong,
VK Projects, the Netherlands.
In collaboration with Asher Hazelaar,
Puls, the Netherlands.

Meggs' History of Graphic Design,
sixth edition, is set in Avenir,
Adobe Font Folio 11.

Avenir (1988), by internationally
renowned Swiss font designer Adrian
Frutiger (1928–2015), is a sans serif font
based on the principles of the New
Objectivity of the 1930s. The typeface
reflects Frutiger's careful analysis of
previous geometric sans serif faces.
