**List of Contributors** xi

**Introduction** 1
*Paolo Cianconi, Batul Hanife, Francesco Grillo, and Luigi Janiri*

References 6

**Chapter 1: Historical Overview: The Relationship Between Climate Crises, Anxiety, and Violent Reactions** 7
*Francesco Grillo*

About this Chapter 7
Climate Change and *Homo Sapiens* 8
A Cultural Discourse on Peoples, Catastrophes, and Fears 10
Returning to the Story of a Humanity Immersed in (and Conditioned by) the Climate 14
Climate Crisis and "Barbarian" Invasions 19
Climate Crises: Historical Sources of Anxiety, Fear, and Violence 22
A Little Climate Crisis: The Little Ice Age 25
Witch Hunts: A Possible Expiatory Mechanism for Climate Anxiety 29
Toward Global Warming 34
Humanity's Hot Summer: Climate Crisis from Anthropogenic Global Warming 35
Have Glaciations and the Holocene Ended? 38
Conclusion 39
References 40

**Chapter 2: Adaptability to Climate Change** 45
*Luigi Janiri*

Introduction 45
Vulnerability 46
Resilience 47
Adaptation and Adaptability 49
Failure to Adapt 51
Psychological Adaptation to Climate Anxiety: The Role of Hope 52
Psychological Adaptation to Climate Change: The Value of Eco-Emotions 53
Information and Communication 56
Concluding Thoughts: Possible Pro-Adaptive Solutions 57
References 58

**Chapter 3: Climate Change and Mental Health** 66
*Batul Hanife*

Introduction: The Effects of Climate Change on Mental Health 66
Eco-Emotions and Psychoterratic Syndromes 68
Anxiety and Climate Change 74
Comparing Eco-anxiety and Climate Anxiety 74
Climate Anxiety in Depth 76
The Role of Worry in Climate Anxiety 77
Factors Influencing the Experience of Climate Anxiety 78
When Is Climate Anxiety Pathological? 80
Neurobiology of Climate Anxiety 86
Conclusions 87
References 87

**Chapter 4: Individual and Group Interventions for Climate Anxiety** 98
*Batul Hanife and Lucia Tecuta*

Interventions for Climate Anxiety: An Overview 98
Individual Interventions 101

**Chapter 5: Sociopsychological Responses to Climate Change and Climate Anxiety 115**
*Paolo Cianconi, Jessica Eve Jackson, Rebecca Rawson, Rory Colman, Charles Ogunbode, Malik Dimbei Halidu, Muhammad Aledeh, and Yasuhiro Kotera*

Climate Change: A Collective Problem 116
Impact of Mass Phenomena 117
Cross-Cultural Experiences 118
Healthcare Systems 120
Economic and Social Class 121
Gender Differences 123
Generational Divides and Family Systems 124
Climate Change Education 126
Multifaceted Narratives of Climate Change 128
Climate Communication and Collective Activism 128
Climate Change Awareness, Psychological Distance, and Climate Anxiety 130
Conclusion 131
References 132

**Chapter 6: Sociopsychological Responses to Climate-Related Biodiversity Loss and Climate Anxiety 145**
*Alessio Mosca, Carlotta Marrangone, and Giovanni Martinotti*

Introduction: Climate Change in Postmodernity 145
Impact on New Generations 148
Effects of Biodiversity Loss 149
The Relationship Between Humans and Nature: Emerging Trends 150
Changes in the Relationship Between Self and Nature 152
Psychosocial Reactions to Climate Change 153
Conclusion: Climate Anxiety and Nature 156
References 157

**Chapter 7: Climate Anxiety and Spirituality 161**
*Panu Pihkala*

Introduction 161
Spirituality and Eco/Climate Anxiety 163
Various Interconnections between Spirituality and Climate Change 164
Spirituality and Climate Disasters 164
Nature, Spirituality, and Climate Anxiety 164
Spiritual Coping, Grief, and Climate Change 165
Adaptive and Maladaptive Spiritual Coping 165
Eco-Spiritual Grief 166
Crises of Belief and Existential Crises 167
Resources from Spirituality for Coping With Climate Anxiety 168
Actions of Spiritual Communities 169
Implications of Climate Anxiety for Spiritual Communities, their Leaders, and for Psychological Practitioners 170

Outcomes of Climate Anxiety in Relation to Religious Adherence 170
Possibilities for Psychological Practitioners 171
Possibilities for Spiritual Leaders and Those Experiencing Climate Emotions 173
References 173

**Chapter 8: Riskscapes, Power, and Precarity: Climate Uncertainty and Distress in the United States 181**

*H. Shellae Versey*

Introduction 181
Climate-Related Risks and Harms 182
Critical Theory Perspectives: Whiteness as (Silent) Ideology 184
Whiteness and Climate Discourse: How Dominant Narratives Obscure Risk 184
Precarity and Riskscape Consequences 185
Two Geographical Cases of Riskscapes and Intersectional Inequity 186
Black and Latino Communities in the US South and Northeast 186
Uneven Risks in the US Southeast: Coastal Communities, Delta Regions, and Southern Urban Centers 186
Uneven Risks in the US Northeast: Urban Flooding and Heat Island Effects in the New York Metropolitan Area 188
Future Directions: What can Psychologists Contribute? 189
Reframing Climate Narratives 190
Climate as Complexity: Recognizing Multiple Sources of Marginalization 190
Applying a Structural Intersectional Lens to Climate Change Psychological Research 191
Implications for Social Policy 191
Conclusion 192
References 192

**Chapter 9: Climate Anxiety in Latin American and Caribbean Countries 202**

*Felipe Agudelo-Hernández, Ana Belen Giraldo Alvarez, and Tatiana Souza de Camargo*

Introduction 202
Awareness About the Threat of Climate Change 204
Impact on Mental Health 205
Impact on Children and Adolescents 207
Intergenerational Trauma 208
Addressing Climate Anxiety in Latin America and the Caribbean 209
Ethical Strategies to Address Climate Change 210
Emotional Political Ecologies 211
Additional Considerations in the Caribbean and Central America 212
Implications and Recommendations for Public Policy 213
References 215

**Chapter 10: Climate Anxiety in Sub-Saharan Africa 221**

*David M. Ndetei, Pascalyne Nyamai, Christine Musyimi, Timothy Munyua, Samuel Walusaka, Veronica Onyango, Eric Jeremiah, and Victoria Mutiso*

Introduction 221
Climate Anxiety and Climate Change Awareness 222
Sociodemographic Characteristics 222
Location 223
Media and Public Discourse 223
The Threat of Climate Change 223

Religion and Climate Anxiety 225
Policy and Public Discourse on Climate Anxiety 225
Climate Refugees 226
Widespread Climate Anxiety 227
Impact of Climate Anxiety on Minority Groups and Immigrants 227
Demographic Variations in Climate Anxiety: Age, Race, and Income 228
Age 228
Race and Ethnicity 228
Income 229
Gender 229
Adaptive Strategies and Coping Mechanisms in Response to Climate Anxiety 229
Mental Health and Social Service Interventions for Climate Change Impacts 231
Therapeutic Approaches to Climate Anxiety 233
Innovative Approaches 234
Conclusion 235
References 235

**Chapter 11: Climate Change-Related Mental Health Problems in Arab Countries: Current State and Future Perspectives 251**

*Feten Fekih-Romdhane, Sahar Obeid, and Souheil Hallit*

Introduction 252
The Impact of Climate Change on Arab Countries 252
Awareness of Climate Change in Arab Countries 254
Mental Health Consequences of Climate Change in Arab Countries 255
Research on Direct Effects of Climate Change on the Mental Health of Arab Populations 255
Research on Indirect Effects of Climate Change on the Mental Health of Arab Populations 259
Measurement Instruments of Mental Health Consequences of Climate Change in Arab Countries 259
Challenges and Future Perspectives 260
Conclusion 263
References 263

**Chapter 12: Climate Anxiety and Russian World Conception 267**

*Konstantin Bannikov*

Introduction 267
Defining the Problem of Anxiety, the Nature of Its Origin, and Its Overcoming 269
Survey Results 270
Detailed Commentary and Participant Motivation 272
Expert Comments by Russian Scientists 273
Russian perspectives on anthropogenic climate change 273
Global Skepticism Regarding Anthropogenic Global Warming 275
Actual Ecological Behavior in Russia: What do Russians Really Care About? 276
Conclusion: Ecology, Nation, and Identity 279
Toward "Russian Skepticism" Understanding 281
Optional Notes on the Cultural–Historical Experience that Influenced the Peculiarities of National Consciousness 284
The War for Global Climate Within the Climate of Global War 287
Post Scriptum 287
References 288

## Chapter 13: Climate Anxiety in Southeast Asia 291

*Cokorda Bagus Jaya Lesmana and Putu Aryani*

Introduction 291
Climate Change in Southeast Asia 292
Overview of Geographical Diversity, Demographic Diversity, and Climate Change Impacts in Southeast Asia 292
Indonesia 293
Malaysia 293
Thailand 294
Vietnam 294
The Philippines 294
Singapore 295
Impact of Climate Change on Southeast Asian Countries 295
Climate Anxiety in Southeast Asia 296
Factors Contributing to Climate Anxiety in Southeast Asia 297
Coping Mechanisms and Resilience-Building 299
Future Outlook 301
Predictions for Climate Change Impacts 301
Potential Changes in Climate Anxiety Levels 301
Strategies for Long-Term Resilience and Mental Health Support 302
Conclusion 302
References 302

## Chapter 14: Climate Anxiety in the Indian Subcontinent and South Asia 305

*Roy Abraham Kallivayalil, Adarsh Tripathi, and Vikrant Patel*

Introduction 305
South Asian Geomorphology 306
Climate of South Asia 308
Projected Climate Change and Its Outcomes 308
Climate Awareness Among South Asian People 309
Current State of Climate Anxiety and Its Repercussions 309
Climate Migration: An Inevitable Yet Manageable Phenomenon 311
Climate Change Education 313
Indian Initiatives for Climate Change Management 313
Case Study: Kerala Floods 314
Modern-Day Initiatives 315
Climate Change and Indian Mental Health 316
Conclusion 317
References 318

## Chapter 15: Climate Anxiety and Indigenous Populations 321

*Paolo Cianconi, Abigail Bray, Francesco Grillo, Elvine Gunawan, Islam Md. Jahidul, Felipe Agudelo Hernández, Ana Belén Giraldo Álvarez, Inkeri Markkula, Franky Varah, Anju Dangwal, Batul Hanife, Nikolay A. Bokhan, Irina E. Kupriyanova, Svetlana Vladimirova, and Patricia Dudgeon*

Introduction: Indigenous Communities 322
Preexisting Vulnerabilities to Climate Change 324
Vulnerability Due to Historical Trauma 324
Geographic Vulnerability 325
Vulnerabilities Related to Segregation, Racism, and Stigmatization 325
Well-Being Vulnerability Related to Colonization 326
The Impact of Climate Change on Indigenous Communities 327
Climate Change as Persistence of Cultural Trauma 330
Indigenous Psychological Responses to the Climate Crisis 332

Place-Based Mental Health Impacts 333
Nature-Related Mental Health Impacts 334
Spiritual Health Impacts 334
Impacts on Social Ecosystems 335
Climate Anxiety in the Holistic and Cosmogonic Conceptions of Indigenous Peoples 337
Native/Traditional Healing in Response to Climate Anxiety 340
Justice and Injustice in the Face of Climate Anxiety 342
Narratives and Social Networks as Mitigators of Climate Anxiety 343
Indigenous Therapies for Climate Anxiety 345
Contributions of Indigenous Communities to Western Thinking 346
References 348

**Chapter 16: A Future Full of Fear: Climate Anxiety and Doomsday Prepping 361**

*Tom Doig and Jordan McKenzie*

Introduction 361
Background 361
Climate Anxiety 362
Climate Anxiety Versus Anxiety in General 363
What Is Climate Anxiety? 365
Doomsday Prepping 366
A Typology of Preppers 370
Climate Prepping 372
Conclusion 377
References 378

**Chapter 17: Climate Anxiety as a Sign of Cultural Trauma 385**

*Paolo Cianconi, Batul Hanife, and Francesco Grillo*

Overview 385
Neoliberalism and Environmental Crisis: An Evolutionary Trap? 386
Tipping Points and Global Society 388
Collective and Cultural Traumas 389
Climate Trauma 390
Climate Injustice 392
Climate Anxiety as Part of Cultural Trauma 393
References 394

**Chapter 18: Toward the Future: How Climate Anxiety is Leading to Social Mutation 399**

*Paolo Cianconi, Jessica Eve Jackson, and Tom Doig*

Introduction: Climate Change and Social Change 399
Emotions Empowering Behavior 401
Green New Deal 402
Anti-Neoliberalism and Degrowth Theories 404
Climate Colonialism and Climate Denial 405
Climate Anxiety in Transhumanist and Posthumanist Visions 406
Eco-Generativity 408
Solarpunk 409
Ecocriticism 410
Eco-miserabilism 411
Climate Change Fiction (Cli-Fi) 412
Electronic Dystopias in Video Games and Climate Anxiety 413
Climate Anxiety and Psychedelic Medicine 414
Climate Anxiety as a Cultural Syndrome 418
Western Climate Anxiety Syndrome 420
Climate Anxiety is More Than a Syndrome 422
Climate Anxiety and Social Mutation 424
