12 Long Walks, 168–169

30/30 rule, 261

A

Abbey, Edward, 199

Abel Tasman Track, New Zealand, 292

accept, adapt, and appreciate (three As), 10, 166–168

accident, 11–12

acclimatization

climb high, sleep low strategy, 254

diet, 253

gradual ascent, 253

hydration, 252–253

medications, 254

in the Peruvian Andes, 254–255

upon arrival, 252

acute mountain sickness (AMS), 253

symptoms, 250

treatment, 250–251

Adams, Douglas, 117

adaptability, 133–134, 240–241

aerobic conditioning, 8, 31–32

alcohol stoves, 81

Aletsch Glacier Trail, Switzerland, 290

“all day pace” for hiking, 110

allergic reactions, 232, 235

AllTrails, 118

alternative-fuel stoves, 81

altitude sickness, 250

acute mountain sickness, 250–251

high-altitude cerebral edema, 250, 251

high-altitude pulmonary edema, 250–252

aluminum, 62, 63, 82, 279

AMS. *See* acute mountain sickness (AMS)

anaphylaxis, 226, 227

Andes, 154, 249, 254–255, 271

Animatedknots.com, 150

ankle rotations, 36

Annapurna Sanctuary, Nepal Himalaya, 293

anti-fungal drying powder, 232
antihistamine tablets, 270
Aquamira Water Treatment Drops, 208
Araucaria araucana (Monkey Puzzle), 290
Arctic Trail, Finland/Sweden/Norway, 294
arm swings, 36
Arthurs Range Traverse, Tasmania, 293
ascorbic acid, 208
ataxia, 251
attention, 65, 126, 127, 155, 160, 239, 262, 284–285
Auerbach, Paul, 272
Australia, snakebite treatment in, 137
autonomy, 16
Avenza Maps, 118

B

“backcountry” campsites, 174
backpacks
 bottom section, 100
 brand
 recommendations, 65–66
 external frame, 62–63
 FAQs about, 65
 frameless, 64–65

 gear list, 101–105
 internal frame, 63–64
 with liner, 103
 loading, 99–101
 middle section, 100
 outside pockets, 100–101
 size, 65
 top section, 100
 waterproof, 99–100
back rotation stretch, 38
Badlands of South Dakota, 203–204
baking soda, 59. *See also* sodium bicarbonate
Band-Aids, 229
bandana, 59, 102
Barry, Dave, 173
baseplate compass, 122–123
bathing, 216–217
bear canister, 105, 140
bear country, hiking in
 bear canisters, 140
 encountering a bear, 141–143
 food protection, 139–140
 hanging food, 141
 precautions, 138–139
 Ursacks, 140

- bear resistant bag, 105
 - Bear's Ears National Monument, 235
 - bear spray, 105
 - bee and wasp stings, 225–227
 - being comfortable, practical strategies for, 112–113
 - Benadryl (diphenhydramine), 226, 234
 - biodegradable soap, 277
 - bird dog exercise, 34
 - bivy, 66
 - blisters
 - prevention, 227–229
 - treatment, 229–230
 - body temperature regulation
 - heat-related illnesses, 247–248
 - hypothermia management, 241–243
 - staying cool, 244–246
 - staying warm, 238–241
 - boiling, 206
 - bowline knot, 151
 - Braaten, Brenda, 192
 - brand recommendations
 - backpacks, 65–66
 - bear canisters, 140
 - cooking equipment, 82
 - sleeping bags, 76
 - sleeping pads, 80
 - tents, 69–70
 - breaks, 4, 14, 80, 93, 111, 223
 - British Mountaineering Council (BMC), 126
- C**
- calamine lotion, 234
 - calf raises, 33
 - calf stretch, 37
 - calisthenics, 160
 - Call, Woodrow F., 11
 - CalTopo, 118
 - camaraderie, 16
 - campfires, 43
 - building, 156–160
 - mound fire, 158–159
 - refraining from, 157
 - collecting firewood, 158
 - Leave No Trace, 159–160
 - starting and maintaining fire, 159
 - staying warm without, 160
 - Tee Pee method, 159

- camping pillow, 105
- camp routines
 - evening, 184–186
 - morning, 187–188
 - tips for good night's sleep in woods, 186
- campsites
 - designated, 173–175
 - dispersed, 173, 175–180
 - etiquette, 175
 - practical concerns vs aesthetic benefits, 180–181
 - selection, 264
 - setting up tent in rain, 181–182
- Canadian Rockies, 295
- canine considerations
 - gear and supplies, 20–21
 - on-the-trail approach, 21
 - pre-trip, 19–20
- canister stoves, 80
- carbohydrates, 48, 192, 193, 245, 253
- cardinal rule, 263–264
- cardiopulmonary resuscitation (CPR) administration, 227, 263, 267
- cardiovascular training, 31
- Carver, George Washington, 257
- Cascade Saddle Route, New Zealand, 292
- CCF pads. *See* closed-cell foam (CCF) pads
- center of gravity, 153–154
- Central Andes, 291–292
- chafe
 - prevention, 230–231
 - treatment, 231–232
- Chamonix to Zermatt, 291
- checklists, 45
 - hygiene, 219–220
 - post-hike, 48–49
 - pre-hike, 46–47
- chemical treatment, water purification by, 207–208
- child's pose, 38
- chlorine, 207
- chlorine dioxide, 207, 208
- Chouinard, Yvon, 289
- climb high, sleep low strategy, 254
- closed-cell foam (CCF) pads, 77–78, 99
- clothing, 102, 105
 - base layer, 87–88
 - environment-appropriate, 101–102, 104
- essentials, 86–87

- layering system, 87–89
- light-colored, 245
- mid-layer, 88–89
- shell layer, 89
- cold muscles, 37
- cold stress, 238
- communication, 48
- condensation
 - minimization and management, 67–68
 - single-wall tents, 67
- connectivity, 15–17, 19
- contaminated water, 21
- contemplation, 15
- Continental Divide Trail (CDT), 169
- convenience, 14–15
- cooking equipment
 - brand recommendations, 82
 - cookware, 81–82
 - stoves, 80–81
- cooking pot, 59
- cookware, 81–82
- Copper Canyon (Mexico), 153
- Cordillera Apolobamba (Bolivia), 166
- Cordillera Blanca, Peru, 254

- Cordillera Huayhuash Circuit, Peru, 254, 292
- cotton, 231, 246
- Cradle Mountain Trail, Tasmania, 293
- cross-training, 32
- cryptosporidiosis, 21
- Cryptosporidium*, 199, 204, 207, 214
- Cuben Fiber. *See* Dyneema Composite Fabric (DCF)
- CuloClean, 214
- curiosity, 18
- cushioned seat, 103

D

- danger sign, 261
- Dawn Dish soap, 234
- day hikes
 - essential items, 101–102
 - gear list, 101–103
 - optional items, 102–103
- dead branches, 177
- dead bug exercise, 34–35
- DEET, 223
- dehydration, 200, 202
- dental care, 218
- dental floss, 59

- designated campsites, 173–175
- Devil's Garden Loop, Arches National Park, Utah, 291
- Diamox (acetazolamide), 254
- diet, 253
- dips, 35
- discomfort, 112–113
- dispersed camping, 175, 176
- dispersed campsites, 173, 175–180
 - criteria for, 177–178
 - environmental considerations, 178–179
 - places to avoid, 178
 - setting up, 179–180
- dog pack, 20
- dogs, hiking with, 18–19
- double-wall tents, 68–69, 103, 181
- downhill hiking technique
 - center of gravity, 153–154
 - flow, 155–156
 - gear preparation, 153
 - packing light, 154
 - shorter steps, 154
 - steadiness and focus, 154–155
 - stress minimization, 154
- down insulation, 70–71

- down sleeping bags, 70–71
 - advantages, 70–71
 - disadvantages, 71
 - in wet conditions, 71–72
- Dr. Bronner's soap, 234
- duct tape, 59
- due diligence, 30, 54, 132, 166, 200, 214, 257, 263–264
- Dusky Track, New Zealand, 292
- duty of care, 43–44
- dynamic stretches, 36
- Dyneema Composite Fabric (DCF), 67

E

- earbuds/headphones, 114–115
- eastings, 123
- Edison, Thomas, 97
- Eiffel Lake Trail, Banff National Park, Canada, 295
- Eisner, Thomas, 221
- electrical storms, 260–263
 - approaching, 261
 - being caught in storm, 261–262
 - first aid, 262–263
 - leaving home, before, 260–261
- electronics, 102, 103
- Emerson, Ralph Waldo, 7, 85, 131

- enthusiasm management, 18
- epinephrine auto-injector, 226
- EpiPen, 226
- essentials, downsizing, 58
- exercise
 - core and upper body, 33–35
 - flexibility, 8, 35–38
 - lower body, 33
- external frame backpacks, 62–63

F

- fabric options, 87–89
- familiarization, 118
- farmer's carry exercise, 35
- FarOut, 118
- female urination device (FUD), 103. *See also* pee funnel
- filtering, 206–207
- fireplace app, 160
- first-aid
 - course, 271–272
 - essentials for hikers, 267–272
 - items for trekking abroad, 271
 - kit, 20, 46, 102, 269–271
 - wilderness, 268–269
- Five Passes Route, New Zealand, 292
- flash floods, 263

- campsite selection and riding out storm, 264
- cardinal rule, 263–264
- due diligence, 263–264
- flatlock seams, 231
- fleece, 88
- Fletcher, Colin, 109
- flexibility exercises, 8, 35–38
- fluids, 245
- food, 20, 102, 104
 - breakfast, 195
 - density, 193
 - dinner, 196
 - hanging, 141
 - lunch, 195
 - options, 195–198
 - quality, 193
 - quantity, 192
 - regularity, 192–193
 - security, 139–140
 - simplicity, 194
 - snacks, 196–197
 - and supplies, 47
 - taste, 194
 - variety, 194
- footwear, 89–95, 98, 101, 103
- Forgey, William, 272

Four Corners, 291
freedom, 15
“frontcountry” campsites, 174
